An End of an Era

After a successful career in the private sector, Mr. Tuffy started here at the Silver Lake Regional School District in 2001 as the district's business manager. During that time, he played an important role in preparing Silver Lake for the split with Pembroke, and was integral in the process that led to the building of the new Silver Lake Regional School campus. Over the last fourteen years, Mr. Tuffy brought stability to our school district in his roles as business manager, and for the better part of the last decade, as our superintendent. Mr. Tuffy has provided leadership for the students of Halifax, Kingston and Plympton during a time of tremendous growth in student academic achievements, as well as the addition of several academic and athletic programs. His presence at athletic events, concerts and plays, parent programs and in the schools across the district will be greatly missed. His sincere dedication to the Silver Lake Regional School District will go unmatched. He has left an indelible mark on our schools and our community.

A Letter From Your Principal and Assistant Principals

Congratulations to the class of 2015! You have left your mark on the Silver Lake community. You are a class that we will remember as being hardworking and determined. The results can be seen in all that you've accomplished from high scores on MCAS, AP and SATs, to countless accolades for your student council representatives, athletic teams, performers, community volunteers and awards earned in the CTE programs. Your achievements over the last four years, however, are just the beginning of the amazing things you will set out to do in your lifetime. Always strive to be the very best in everything you do but remember to enjoy the journey and have fun along the way. We wish you much happiness and success, now and always.

Sincerely,

Mr. Mulcahy, Mr. Blette and Mrs. Gill

Yearbook Editors

Congratulations Senior Class! It is hard to capture all of our memories and accomplishments from our years together in just one book. But as we end our time as Silver Lake students and progress forward to our futures, I hope you will be able to look back on this yearbook and remember our times together as the class of 2015. I wish you all the best of luck in whatever path you choose next.

Sincerely your editor,
Taylor Burkett

Well, we did it! Congratulations class of 2015. We've waited all these years for this time to come, and it's finally here. I am so lucky to have gotten to know all of you. It's hard to remember all 12 years of school we've had together, but hopefully this book will be something you can always have to look back on. So, as we leave behind the title of Silver Lake seniors and move on to Silver Lake graduates, I wish you all the best of luck with everything you do. Thank you all for the memories.

Sincerely your editor,
Lexie Delgado

Finally received our diplomas and starting the new chapters in our lives, I hope that this yearbook can hold all those memories that you have made. I wish to all my classmates the best of luck and I hope you achieve all your dreams!

Sincerely your editor,
Deveney Nocher

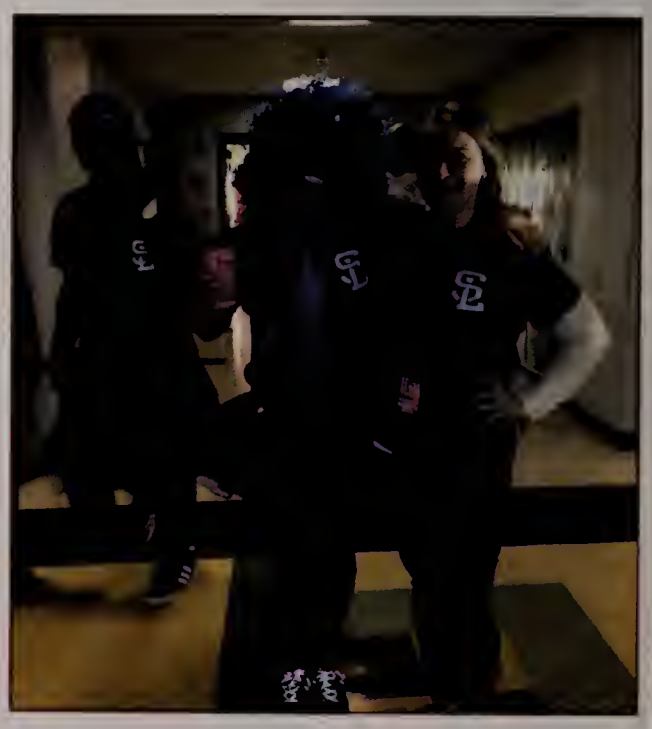
Congratulations class of 2015! We have finally made it through all twelve years and I can honestly say that there is no other group of people that I would have rather spent these past four years with. As we go on our separate ways, I wish you all the best of luck. We will always have these amazing memories captured in one book to remind us of our past that we have created. Enjoy and good luck with whichever path you take. Wish you all the best, Class of 2015!

Sincerely your editor,
Elizabeth Sprague

The Class of 2015 would like to dedicate this yearbook to

Ashley Ferrara & Meaghan Sweeney

Throughout the past four years Ms. Ferrara and Ms. Sweeney have been devoted to the Class of 2015. From organizing fundraisers and selling prom tickets, to being a familiar face with open ears, their countless hours invested in our class have led us to where we are today. With their positive attitudes and willingness to help advise our class towards our futures, makes each of us very thankful for them to be part of our class. Their past four years as the Class of 2015's advisers have made them not only teachers, but role models. As we now go our separate ways and start our futures, their influence will stay with us. Without them being the ones here to guide us through our years as Silver Lake students would have been a loss for our class. Ms. Ferrara and Ms. Sweeney's dedication and love for the Class of 2015 makes them the ideal people to dedicate our yearbook to.



Class President Michael Phan

My Dear Classmates,

It's incredible how we began our schooling as toddlers and have grown into the adults that we are today. It has truly been an unforgettable journey. One that, through not just the education, but the experience, has laid the fundamental groundwork for our futures. At this point, we have all the potential in the world. It is from here that we will spring forth into society, our lessons and talents in hand, and create the realities that we've always dreamed of. We must not, however, forget the support that made this possible. We did this together. The willingness we had to contribute our individual dispositions to the class has made us the colorful group that we are, exposing each of us to various friendships, ideas, and comforts that made what would have been a struggle, something easy and enjoyable. I wish each and every one of you this continued success and prosperity.

It has been an honor and a privilege to serve my greatest friends,
Mike Phan

"He has achieved success who has lived well, laughed often and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given them the best he had; whose life was an inspiration; whose memory a benediction." ~Bessie Stanley
